

The following bibliography is a list of peer-reviewed publications that relate to the clinical utilization of nerve allografts and/or Avance® Nerve Graft, Axoguard® Nerve Connector, and Axoguard® Nerve Protector for the repair of peripheral nerve injuries. It is not intended to be a comprehensive bibliography of all available publications on this subject; rather it is intended to be a snapshot of the biomedical literature available through PubMed and Google Scholar as well as known journals and textbooks not currently indexed on the PubMed database.
