Please find the enclosed provisional license certificate for tissue bank operation at the following location:

Axogen Corporation - Distribution Facility  
300 Boone Road, Suite A2 and A3

The provisional license is effective until either September 1, 2021 or the issuance of a full license following an on-site survey of your tissue bank. In accordance with the provisions of Section 52-3.7(d), the Department may request a summary of the activities of your tissue bank. Please report, in writing, any changes in tissue bank director and/or medical director within five (5) days of the change. Also, report changes in direct or indirect ownership within thirty (30) days and keep the Department informed of any relocation of the facility.

Regulations applicable to tissue banks are available from this office and online at <https://www.wadsworth.org/regulatory/tissue-resources>. Please ensure that your tissue bank's activities are in compliance with these requirements. If you have any questions, please call (518) 485-5341, or e-mail to [btraxess@health.ny.gov](mailto:btraxess@health.ny.gov).
